

# Historical Souvenirs & Collectables

**DJH**  
GROUP LTD

2020

ISSUE 2

# DJH – ROWENA

The 'Rowena' brand was originally established in the Midlands in 1976 and specialised in the design of Historical Souvenirs in fine English Pewter and Silver.

44 years later, the company now manufactures 100% of its products in its own 3200 m2 purpose-built factory in County Durham as part of the DJH Group.

We have built a solid reputation for quality and reliability over many years, supplying famous Blue Chip Brands, Royal Palaces, Cathedrals, Heritage Sites, Stately Homes, Castles, Museums, Government Offices and Visitor Centres.

Our in-house design ability uniquely combines the latest 3D rapid prototyping techniques and computer software for new product development and tooling with traditional handcraft and finishing skills to achieve souvenirs and collectibles that are truly original.

We are able to provide fast delivery times from concept to metal, allowing you to react promptly to market opportunities with your own unique custom products.

Our low minimum order requirements and short lead times allow you to manage inventory and match supply to demand without the risk or long lead times associated with overseas imports.

In addition to our large range of standard products, this catalogue also includes a bespoke section where you can see examples of custom-printed packaging and bespoke designs that will allow you to create unique products in perfect alignment with your brand.

***We look forward to working with you.***

Samantha Winter

# BRANDING & PACKAGING

DJH  
GROUP LTD

# Print Options

Our immensely popular range of Pencil Souvenirs are available with 'site specific print' in minimum quantities from as low as x500.

Each pencil is available with handmade miniature tops in a choice of finishes, gold, silver, polished or antiqued pewter relevant to your site. We just need a basic image to quote. Or, use one of our generic toppers with your print on the pencil.

The illustration shows a sample of typical print options. First choose your pencil colour (or choose a mix of pencil colours) then print your site specific, logo or name.

Also available for a little extra cost with a full 360 degree wrap around print.

# Packaging Options

Magnets, keyrings, lapel pins, bookmarks, and bottle openers can be supplied on a backing card with your colours and logo. Spoons are packed in boxes and can also have a site specific bridge or backing card.

Thimbles, Miniature models and Tankards are all packed in a boxes.

**Contact us to discuss your requirements, request a free set of samples and/or a free digital design proposal.**
